

Do it the way they did it during the Civil War, the pivotal event in American history. Our groups is the Ninth Texas which has folks from the Kan./Mo./Nebr. area who get together several times a year at "reenactments" to recreate the life of the Civil War soldier, in camp, in drill, on the march and in battle. And we have a ton of fun along the way.

Come join us - you won't be disappointed!
